been precipitated by a grounded wire becoming entangled in the wheel of a passing vehicle.

The damage to the building is about \$600. The Western Union wires were swept down but were soon restrung.

Mrs. Andrews is the wife of B. E. Andrews, a well-known lumber merchant of this city; Mrs. Curtis' husband is traveling salesman for a Chicago-based and door house. He is absent at present and his whereabouts are unknown.

The sidewalk on which the accident occurred is a favorite resort of pedestrians, and that more persons were not on it at the time is a matter of comment.

Rumors that Fort Worth was in flames were rife early this morning. It was ascertained later that the conflagration was not as serious as at first reported.

Last night Humphrey Dulin, a colored Baptist preacher, carrying a couple of sacks, was halted on Bryan street. Examination showed that the sacks contained fourteen chickens of superior breed, and it was later ascertained that they had been stolen from the coops of Prof. W. K. Jones of the female college. The clerical thief is in jail.

The Western Union is stretching another wire between Dallas and Denison.

A cold norther blew up last night and continued until nearly noon today. Straw hats and seersucker suits, which had become fashionable, were conspicuous this morning for their absence.

News has reached the city that Nip Walker, a notorious horse-thief and jail-breaker, has been captured in one of the northern counties. A deputy sheriff will be dispatched after him.

DENISON.

A Dallas Man With Two Living Wives on His Hands.

Special.

DENISON, TEX., May 8.—J. M. Starman, who married a Miss Matilda Hartz a few days since, was arrested and jailed to-day upon a complaint of his former wife in Dallas, who claims him as her lawful husband and the father of seven children.

The weather is quite cool to night, and overcoats are comfortable.

MARSHALL.

Attempted Jail Delivery—A Raving Maniac—Cut by the Cops.

Special.

MARSHALL, TEX., May 8.—This evening our county jailer, Robertson, went into the jail to give the prisoners water. When he had thrown the bar to allow the prisoners to come out of their cells Dab Wilson, a trusty, caught him and held him while John Everman assisted in liberating the balance of the prisoners. Dennis King, a big burly negro charged with burglary, ran up and caught Robertson, who in the scuffle managed to draw his pistol and shoot King in the left side just below the ribs. The ball is lodged under the skin in the opposite side. This was evidently a preconcerted plan and but for the shooting of King it would have proven successful. King's wound will probably prove fatal.

It has been quite cold here to-day.

MARSHALL, TEX., May 7.—Some two or three weeks ago Mrs. Susan B. Carey began to manifest symptoms of lunacy. Lately she spent much time and suffered loss of sleep in nursing and waiting on a sick neighbor. Her symptoms have grown from bad to worse until now she is a raving maniac. She was tried by a jury in the county court yesterday, and it found that the facts as above stated. She will probably be sent to the asylum. Her husband, John Carey, and his three little children have the sympathy of our people.

The May festival at Haylock's grange hall to-day was a grand affair. Many of our citizens went out to share in the pleasures of the day.
